DISABILITY VERIFICATION FORM

To the Qualifying Person:

Anne Arundel County Department of Aging operates a subsidized taxi transportation program designed to provide essential transportation to county residents who are 55 years of age or older and disabled persons 18 or older with a verifiable transportation disability. The person presenting this form needs to be verified as having a transportation disability, which precludes his/her using public transportation services. Verification of the disability must be made by a physician, psychiatrist, psychologist, or program director of a social agency serving the intellectual disabled or developmentally disabled. Please complete the following form with your recommendations. Thank you for your assistance.

1. What is the person's diagnosis?

2. How does the disability prevent use of public transportation?

3. How long will the disability continue?

I recommend certification of _____ for the Taxi Voucher Program.
