

Medicare Part D

Do you need help understanding Medicare Part D?

Is your current Medicare Prescription Drug Plan the best match for your needs?

Counselors from the Senior Health Insurance Assistance Program of the Department of Aging and Disabilities can help you:

- understand your Part D choices
- compare plans to find which one will best match your needs
- look at supplemental insurance options
- determine if you qualify for help with paying your Medicare D premiums, deductibles, and co-pays
