

# **TO ALL TAXI VOUCHER CLIENTS:**

***The Taxi Voucher Program announces effective immediately that the program will decrease the amount of Taxi Voucher Books each client can receive each month.***

***Effective December 1, 2009, each client in the Taxi Voucher Program will be able to purchase half the amount of taxi vouchers they were previously ordering. A limited amount of taxi voucher coupons will be available on a first come, first serve basis starting December 1, 2009 through May 31, 2010. The Taxi Voucher Program regrets the inconvenience this may cause our clients.***

***The program is run in part from a State funded grant and county funds. Due to our recent state of the economy, we have found it necessary to reduce the amount of coupons sold each month to an individual in order to continue serving the clients in our program. We will be evaluating the situation throughout the fiscal year for the next fiscal year which will start the sale of the coupons on June 1, 2010.***

***Our program serves many disabled and senior clients in the county and we appreciate your understanding during these challenging economic times. If you have any further questions about the program, please call us at 410-222-4222.***
