COUNCIL UPHOLDS ZONING VETOES

Our comprehensive zoning process is finally complete after my Administration took steps to protect communities from increased traffic congestion and overdevelopment. In December, the County Council [sustained](#) three line-item vetoes—one on Mountain Road, one of our most congested corridors.

COUNTY NEWS IN BRIEF

► [Cleanup of Debris at Ft. Smallwood Saves Thousands](#)

Our Department of Recreation and Parks deserves special recognition for its efforts to save taxpayer dollars. Instead of hiring a contractor to clean up storm debris from Tropical Storm Lee, the Department rolled up its sleeves and saved more than \$25,000 by doing the work in house.

► [County Fights for Federal Funding of Ft. Meade Roads](#)

As the state's congressional delegation considers the FY 2012 budget, the County Administration urged it to make sure that road improvements around Ft. Meade are funded. In a letter to the delegation, County Executive Leopold called on Congress to act.
