

HOSPITAL DRIVE EXTENSION PROJECT NO. H387901

Background

This project will extend Hospital Drive from its present terminus within the Fox Chase subdivision southward to Elvaton Road. This project has been in the County's General Development Plan since 1978.

Benefits

- Provide a direct roadway connection between Hospital Drive and Elvaton Road
- Alleviate traffic from Foxwell Road, a sub-standard road for its use due to numerous driveway access points and no shoulders or sidewalks
- Increased response time to and from Baltimore Washington Medical Center

PROJECT STATUS

After considerable study and evaluation, an alignment alternative has been selected. The A/E is in the process of developing 60% Design Plans.
