

MARLEY FIRE STATION REPLACEMENT

Background

New fire station will replace the existing Marley Fire Station, which is not adequate for current needs. The new station will have three (3) Drive- thru bays on the County Owned property, located at 7726 Baltimore-Annapolis Blvd., Glen Burnie, MD. The new station design is consistent with recently constructed stations for Severn and Annapolis (Arundel on the Bay). This project has been approved for a Federal stimulus grant of over \$1.8 million.

Benefits

- Increase response time
- Provide first response to property owners
- Provide medical and fire apparatus
- Other stations can be used for additional apparatus in case of severe fire/medical emergency

Project Status

- Final design phase
- Completing all required inserts to bid documents per Federal Grant
