Certification & Indemnity

It is hereby agreed and understood that in consideration of the approval of this application, the proposed construction shall be performed and completed in accordance with Anne Arundel County Standards & Specifications and subject to the inspection and control of the Department of Public Works.

The Permittee, expressly agrees, as a condition precedent to the issuance of the permit by Anne Arundel County, that the Permittee will save harmless, indemnify and keep indemnified reason of any injury to persons or damage suffered or incurred by Anne Arundel County by reason of any injury to persons or damage to property resulting from use of the Public Right-of-Way by the Permittee, or by an agent, servant, employee or contractor of the Permittee; that the Permittee will comply with all conditions set forth by or on behalf of the Permittee in connection with the issuance of this permit; and that the Permittee will perform the work authorized under a permit in accordance with the application and plan(s) submitted, both of which have been approved by and are on file with Anne Arundel County, and in accordance with all applicable laws and regulations of Anne Arundel County. It is the applicant's responsibility to obtain any additional permits, approvals or licenses from other agencies, which may be required.

I hereby certify that I have authorization to make this application and that the information is complete and correct. I understand that false statements or misrepresentations could result in, among other things, revocation of the application or permit.
