

MAYO MORATORIUM EFFECTIVE 8/6/2008
REVISED FACT SHEET 1/22/09

WHY IS THIS MORATORIUM NECESSARY:

There is currently insufficient sewer capacity at the Mayo Water Reclamation Facility. Once the Mayo Facility is expanded, which may be in 3-5 years, there will be adequate capacity.

WHO IS AFFECTED BY THE MORATORIUM:

There are currently 3 units of capacity available for buildable lots. However, these units of capacity are being held due to a temporary restraining order until the Circuit Court takes action which is expected in late February 2009.
