LARGE BULKY ITEM COLLECTION

LARGE PLASTIC ITEMS

Large plastic items, such as children's toys and play-sets can be recycled. The items should be placed next to your recycling container(s) with other paper, plastic, metal and glass recyclables on your regular recycling collection day.

LARGE METAL ITEMS & APPLIANCES

For EASY pick-up service, call Customer Service at 410-222-6100 to schedule collection of large metal items like swing sets, refrigerators, and lawn mowers. Some appliances contain Freon, which requires special handling. Do not place large metal items and appliances curbside on your regular collection day.

- Call Monday through Friday, between 7:30 a.m. and 4:00 p.m. to schedule collection.
- Items must be put at the curb by 6:00 a.m. on the scheduled collection day.
- Only those items specifically requested for collection will be picked up.
- Be sure items are not obstructed by vehicles, fences, or other structures. Always place items on the curb.

LARGE TRASH ITEMS

Large trash items, such as sofas, wooden bookshelves, tables, mattresses, box springs, and rolls of carpet are typical examples of trash that do not fit into containers.

- Place these items next to your trash container(s) on your regular trash collection day.
- Put only three items at a time for each collection day.
- Please consider donating your useable items to a charitable organization. Some organizations offer free collection.
