Re: IO-01-52

You filed a Disclosure of Apparent Conflict of Interest Statement, stating your belief that you are able to vote and otherwise participate in the legislative process involving Bill 23-01. That bill increases the points and benefits awarded to the volunteers, and adds volunteers with the Anne Arundel Alarmers Association of Anne Arundel County to the Service Award Program.

Since this legislation will not affect your spouse's pay, benefits, or other conditions of employment in any foreseeable way, the ethics commission agrees with your opinion, and advises that you may participate in this matter.

Sincerely,

Betsy K. Dawson
Executive Director
