Re: AO-08-78

You inquired whether you may accept the offer made by WNAV radio, to broadcast a public service announcement encouraging people to vote this coming Tuesday, November 4, 2008. You will not be expressing any partisan point of view in this message. The ethics commission advises that the ethics law does not prohibit this activity.

You also inquired whether you may express your support, on your official county website, for the two questions that will appear on the ballot this coming Tuesday, November 4, 2008. The ethics commission advises that the ethics law does not prohibit this activity. Your support of these ballot questions, as with your earlier support of the resolutions underlying these questions, reflects your official position on matters within your jurisdiction.

Thank you for your inquiry.
