Controller

## **POOL CREDIT APPLICATION**

Please complete the following information for an adjustment to the wastewater portion of your water and wastewater usage bill. The credit will only be processed after the increase in consumption appears on our billing system. An on-site visit by the Department of Public Works must be made in the initial year of request to verify the size and existence of the pool. A \$25.00 administrative charge will be added to your account for this on-site visit. For more information call 410-222-1144.
