

Dear Engine 21 (Kevin Pile & Tim Seely)  
and Medic 29 (LT. Rob Valderas  
(Dan Washinski &  
Ryan Pulaski)

I wanted to send a Heart  
felt thank you for the compassion  
and kindness you showed my  
Great Aunt & Mom on Easter Sunday.  
My mom called Easter Sunday for  
help with my Aunt. The incident #  
was [REDACTED] and the address  
was [REDACTED] Hanover, MD  
21076.

My aunt made it back home  
later that day. She didn't know she had  
a [REDACTED] that had gone  
[REDACTED]. She & my mom said everyone  
between the firefighters and the medics  
were quick to respond and took great  
care with my Aunt.

Too many times kind gestures  
go unnoticed and I wanted to let  
everyone involved that day know how  
much my family respected and appreciated  
all you did. Thank you for being  
there when someone needed help.

Sincerely,  
Amm Marie Felkowski
