

Chief John R. Ray
Anne Arundel County Fire Department
8501 Veterans Highway
Millersville MD 21108

EMT-I Jesse Spencer
Firefighter Ralph Suppa

Dear Chief Ray,

This morning two of your firefighters, Mr Jesse Spencer and Mr Ralph Suppa, of Jones Station (# 23) in Severna Park, came to our home to replace our aged smoke alarms.

We would like to commend these young men for their professional work and for their warmth and courtesy.

You and the department and our county can be proud of them.. As residents, we certainly are.

And very grateful, too, for this service which the department renders.

We have lived at this address since December 1983 when we moved here from out of state. In those years, we have been aided twice before by station 23. Once when I [REDACTED] and needed transportation to AAMC, (then AAHospital), and again several years ago when my husband [REDACTED] [REDACTED]. In each instance, the care and efficiency of the men who came to help was exemplary and was greatly appreciated.

Please know that we hold them all and your department in high regard...

With many thanks,

Justine D. Shaver (Mrs Bennett H. Shaver)
