Dear Chief Ray:

On behalf of the Anne Arundel Partnership for Children, Youth and Families, I would like to thank you for your tremendous support for the second annual Anne Arundel Teen Summit and Community Awareness day held on May 30, 2009. The Anne Arundel fire department gave us solid staff support as well as equipment and demonstrations. Our youth are so fortunate to have that level of commitment from your department.

This year's summit brought together over 300 youth and family members for a full day of presentations and activities emphasizing the importance of our youth remaining drug free. The event grows in energy and influence each year due to partners such as you who understand the importance of community collaboration. Anne Arundel children and families can only benefit from your generosity. Thank you again for allowing your personnel to spend their valuable time with us on Saturday.

Sincerely,

Pamela M. Brown, Ph.D.
