Dear Chief Ray:

About 11:30 P.M. on Friday, May 29, 2009, an ambulance came to my home to transport me to the Anne Arundel Medical Center. The two EMTs, a young man and a young woman, were very knowledgeable and careful. [REDACTED]

[REDACTED] The drive to the hospital was done as carefully so as to avoid any movement to me. I would like for you to thank them for the excellent care they provided me. Unfortunately, I do not remember they names. However, the ambulance came out of the Jennifer Road fire house.

Sincerely,

Allen Faurot
