RE: Assistance from Cape St. Claire

To Whom It May Concern:

Please accept this letter as a heartfelt thank you to one of your crews.

On April 13, 2009, at approximately midnight, one our ALS ambulances broke down at Route 50 Westbound and Sandy Point Exit. Our patient was [REDACTED]

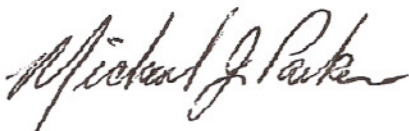

[REDACTED] We were transporting the patient in a high priority status to Johns Hopkins Bayview. The Transportation Authority Police were called for an ambulance to assist us. The crew who arrived, Erik Anderson and Adam Mayock, helped my team and continued the transport for us.

I want to extend my sincere thanks to Erik and Adam for their support and help with this critical situation. It is nice to know that ambulance companies can count on each other in times of need, especially for our patients who need us the most. Again, thank you for your help with this assistance call.

If you have any questions, then please feel free to contact me at [REDACTED]

Thank you.
