Dear Chief Ray,

Thank you very much for your assistance in providing a member of your department to serve on our promotional board for Fire Lieutenant in the Annapolis Fire Department. Your representative, Lieutenant Ronald Hodges, was a great asset to the committee. His knowledge and experience in this field helped the process to run smoothly and efficiently for all involved.

Please extend our gratitude to Lieutenant Hodges for the time and effort he gave our department. Also, we would like to thank his supervisor for working the schedule so that Lieutenant Hodges could attend the promotional process.

As always, we appreciate the continued support and contributions from your department to ours. I feel the experience was beneficial to all who participated.

Sincerely,

Jerome W. Smith,
