Dear Chief Ray:

Roland Terrace Democratic Club had the extreme pleasure of having Battalion Chief Matthew Tobia as their guest speaker on Monday September 21, 2009. Battalion Chief Tobia gave an awesome presentation explaining to the members the responsibilities of the fire department along with the intricacies of the Ambulance bill.

Battalion Chief Tobia is an excellent representative of the Anne Arundel County Fire Department and should be commended for his outstanding presentation.

Sincerely,

*Rita Ketchum
