Chief Ray,  
My wife Juanita 

  
My daughter and I attempted to take my wife to the hospital on the Morning of September First but my wife collapsed as we placed her in the car. 

  
Juanita, myself, all of the family members, neighbors and co-workers commend the actions of the Orchard Beach Fire Department, Station 11, for their response at approximately  on the morning of September 1<sup>st</sup>. Their professional and immediate care was the first line of defense in saving her life.

Gratefully,

*Eric P. Steckel*
