REQUIRED FOR ALL APPLICANTS

A ZONING CERTIFICATE OF USE IS ISSUED BASED UPON THE ABOVE INFORMATION AND AUTHORIZES THE ABOVE LISTED USES AND NO OTHER. IT DOES NOT RELIEVE THE DESIGNATED USER OF THE RESPONSIBILITY OF OBTAINING THE APPROVALS OF OTHER APPLICABLE STATE AND COUNTY AGENCIES. I agree to keep the property free from zoning violations and also understand that per the Anne Arundel Code Article 18, section 2-202, my Zoning Certificate of use continues in force only so long as the use of the property is in complete conformity with the provisions of Article 18 (Zoning).

\*Note: Site development plans are required for all uses which involve new development outside storage, multiple dwelling, or as required by Zoning Enforcement.

Site development plan must Include:

- Area of lot
Required screening (provide details) & buffers clearly marked
Description of any items stored outside
Dimensions of all structures
List of all uses on property with the area utilized by each use
Available parking
Multiple dwellings must include a floor plan detailing each unit and business or mixed use properties
A full submission thru the permit application center may be required

I hereby certify under the penalties of perjury the information contained in this application is correct
