ANIMAL CONTROL

RECOVERED SNAKE

GLEN BURNIE

On Sunday March 23, 2008 Animal Control was dispatched to 8081 Green Orchard Rd. Apt. T-1. in Glen Burnie for a snake in an apartment. Upon arrival the caller who is the lessee of the apartment met the animal control officer. The caller stated she was watching TV when a large black and brown snake came out from behind the TV stand. The officer entered the apartment and located the snake in the living room. She then picked up the snake and transported it to Animal Control. The caller stated that she has lived in the apartment for two months and did not own a snake; therefore based on this information the snake must have been left by a previous tenant. The snake will remain at Animal Control for five days to give an owner an opportunity to claim the snake. If no one claims the snake it will be sent to a rescue.
