- II. Baltimore Metropolitan Area Radio System
- III. Centralized Statewide Fingerprint Records
- IV. Statewide Criminal Information System
- V. Statewide Crime Reporting System
- VI. Law Enforcement Information Exchange
- VII. Proponent Unit
- VIII. Cancellation

I. POLICY

It is the Department's policy to coordinate law enforcement operations with regional law enforcement agencies to facilitate identification and apprehension of criminal suspects.

II. BALTIMORE METROPOLITAN AREA RADIO SYSTEM

The department participates in the Metro MARNIS law enforcement radio system, radio communications for the Baltimore Metropolitan area. The Communications Section is responsible for coordination of the Department's role in Metro MARNIS.

III. CENTRALIZED STATEWIDE FINGERPRINT RECORDS

The Department participates in the statewide fingerprint records and information system administered by the Maryland State Police. The Evidence Collection/Identification Unit and the Central Records Section are responsible for coordinating Department participation in this system.

IV. STATEWIDE CRIMINAL INFORMATION SYSTEM

The Department participates in the Maryland Criminal Justice Information System. The Central Records Section *and* the Communications Section are responsible for coordinating the Department's participation in this system.

V. STATEWIDE CRIME REPORTING SYSTEM

The Department participates in the Maryland Uniform Crime Reporting program administered by the Maryland State Police. The Central Records Section is responsible for coordinating the Department's participation in this system.

VI. LAW ENFORCEMENT INFORMATION EXCHANGE

The Department participates in the National Capital Region (NCR) Law Enforcement Information Exchange (LInX). The Office of Information Technology coordinates the sharing of data, and the Records Manager is the System Administrator for the department.

VII. PROPONENT UNIT: Central Records Section.

VIII. CANCELLATION: This directive cancels Index Code 108, dated 10-15-03.
