

The Anne Arundel County, Department of Recreation and Parks does not determine if an individual has a disability.

One of the following forms of documentation must be provided in order to receive the discounted fee for an individual with a disability:

1. Social Security Award Letter (also referred to as SSDI letter);
2. MVA identification card that was issued to you for your vehicle's handicapped plates or placard; or
2. Verification from a licensed medical provider by using the form below:

This form must be completed by a license medical provider for individuals applying for the discounted pool fee. Individuals with disabilities are entitled to a discount on pool fees at the Department of Recreation and Parks' two pool facilities. To qualify, the individual must be at least 18 years old with a disability.

Please have a licensed medical professional complete this form:
