Community Connections Day Brings County Government to You

The Office of Constituent Services always serves as your direct link to the all departments of county government, but sometimes face-to-face meetings are the best way to solve problems.

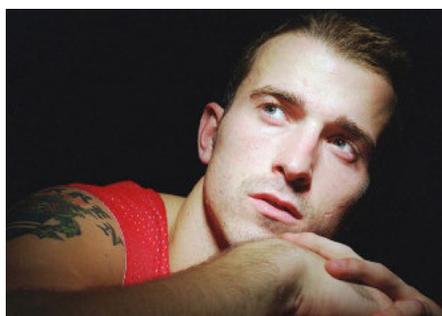

Please join us at 7 p.m. on March 15th at Brooklyn Park Middle School for your chance to meet the leaders of every department in person.

The event is open to citizens of the entire county, and meetings with department heads will be scheduled on a first come, first served basis.

If you would like to forward information about a specific case in advance, please send an e-mail to Constituent Services Director Nancy Schrum at exschr00@aacounty.org or call 410-222-1821.

A second event will likely be held in South County at a later date.

We hope you will come out and learn more about all of the services the county provides! After all, we work for you!

Herren Talk on Heroin is a Must See for Teens

Chris Herren was living his dream as a point guard in the NBA until his addiction to heroin crushed that dream. He shares his story across the nation, and was at Southern High last month. Every family should watch this.

Election Judges are Needed! Early Voting Starts April 14

You can make your contribution to this year's electoral process and make some extra cash in the process! Please consider volunteering as an election judge today! Help your fellow citizens and earn as much as \$200 a day.

From the County Executive

March is Women's History Month. Anne Arundel County is blessed to be the home and workplace of many strong women leaders. I have the honor of working with them on a daily basis.

Diane Croghan is my Chief of Staff and is the second woman in the history of the County to serve in that role. She oversees the day-to-day operations of seven departments and is the highest ranking woman in County government.

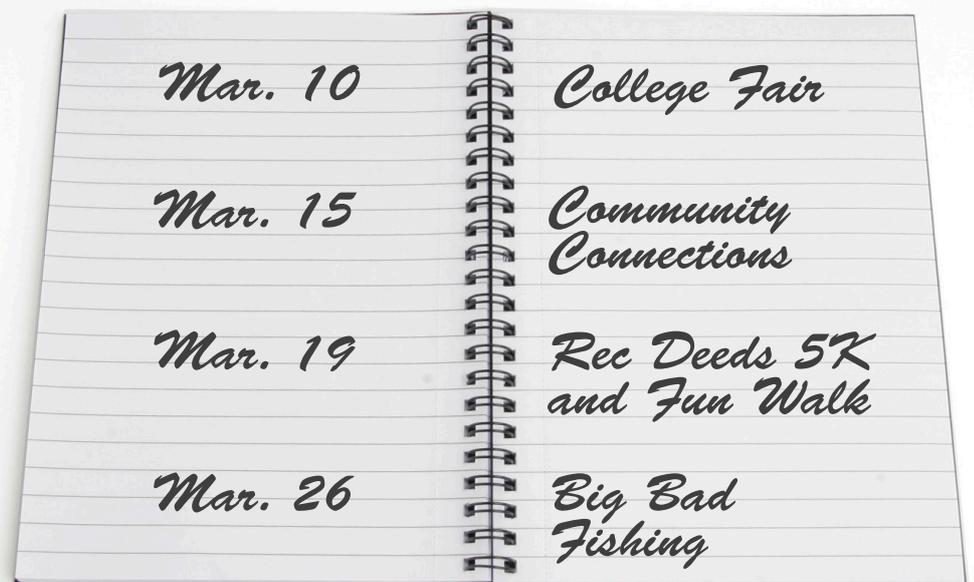

County Attorney Nancy Duden has been an attorney in the Anne Arundel County Office of Law since 2004. She was on the short list for a gubernatorial appointment to the Anne Arundel

County Circuit Court, but when I asked her to help her serve this County she withdrew her candidacy.

Nancy Schrum oversees constituent services staff and special projects for me, following a career with Westinghouse. Amalie Brandenburg is our Education Officer. She has been instrumental in helping our administration work with the school system, libraries and college to ensure the best educational experience possible for our citizens. Dr. Jinlene Chan, our Health Officer, is helping address the heroin crisis that is affecting our neighborhoods. Christine Romans, our Central Services Officer, ensures that our facilities are well maintained, and effectively managed. And Andrea Rhodes, our Personnel Officer, has been critical to ensuring fair pay for our employees.

Every day, I feel blessed to work with these dedicated, passionate women who work every day to make our County a model for our State.

County Council Legislation

Councilman Andrew Pruski

The County Council has begun reviewing the 2016 Odenton Town Center Master Plan. I am very excited about the progress and the promise of this development in my district. This town center is an opportunity to promote economic development while fostering livable, walkable, sustainable communities. At the same time, we must make sure that we are protecting our historic district and maximizing access to transportation.

This is an exciting time for Odenton and I hope that all of our citizens will participate in this plan for the future. A public hearing on the Master Plan is set for April 4.
