

MASTER WATER METER AGREEMENT

THIS MASTER WATER METER AGREEMENT (the “Agreement”), is made this _____ day of _____, 20___, between _____ (“Master Meter Lot Owner”), and Anne Arundel County, a body politic of the State of Maryland (“County”).

WHEREAS, the County needs a reliable method to measure water provided through the County water system to real properties within the County; and

WHEREAS, in accordance with the County’s normal procedures for connections to the County’s water system, the County installs a water meter on each parcel or lot of real property with a separate tax account number, and operates and maintains those meters connecting to the County infrastructure; and

WHEREAS, the County has agreed to vary its normal procedures for the installation of water meters to approve the installation of a County-owned master water meter (“Master Water Meter”) on real property owned by the Master Meter Lot Owner, which is one nonresidential lot with a single tax account number, through which water service will be provided to other parcels or lots with nonresidential uses with separate tax account numbers that are adjacent to or related to the Master Meter Lot (as defined below); and

WHEREAS, the Master Meter Lot Owner is the owner of the real property known as _____; and

WHEREAS, it is in the best interest of the citizens of the County that a single Master Water Meter be approved to serve the Master Meter Lot and the Subdivision Lots as described in this Agreement;

NOW THEREFORE, WITNESSETH, that in consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

1. Whereas Clauses. The Whereas clauses are incorporated into this Agreement.

2. Definitions; Exhibits.

(a) “Master Meter Lot” means the lot which is described in paragraph 3, and upon which a Master Water Meter will be installed in accordance with this Agreement and through which water service will be provided to the Subdivision Lots.

(b) “Master Meter Lot Owner” is the fee simple owner of the real property upon which the Master Water Meter will be placed.

(c) “Master Water Meter” means the single master water meter owned by the County, to be installed and maintained on the Master Meter Lot, which will provide and serve the Subdivision Lots with water service.

(d) “Subdivision” means that certain subdivision depicted and described on Plats _____, which are recorded among the Plat Records of Anne Arundel County, Maryland in Plat Book _____, page _____, and which is attached hereto as Exhibit A.

(e) “Subdivision Lots” are the properties owned by the Subdivision Lot Owners.

(f) “Subdivision Lot Owners” are the owners of property within the Subdivision that will be provided water through the Master Water Meter, the specific properties which are described in paragraph 4.

(g) “Sub-meters” are water meters placed, at the option and discretion of the Master Meter Lot Owner, within the Subdivision to measure water usage by specific lots or buildings within the Subdivision.

(h) “Water Line” means the water distribution line to provide water from the County’s source of water to the water connections at the property lines of the development as shown on Exhibit B, which is attached hereto and made a part hereof.

3. Master Meter Lot. The Master Meter Lot Owner is the owner of the Master Meter Lot, which is real property known as _____, which bears the tax account number _____, and which is located in the Subdivision. The Master Meter Lot will be the lot upon which the master meter will be placed and installed in accordance with this Agreement and Public Works Agreement Number _____, which will be signed contemporaneously herewith.

4. Subdivision Lots. Water service will be provided through the Master Water Meter to following lots owned by the Subdivision Lot Owners within the Subdivision: **[LIST ALL PROPERTIES – addresses and tax account numbers]**.

5. Master Meter Lot Owner Responsibilities. By entry into this Agreement, the Master Meter Lot Owner agrees to bear all responsibility for the charges related to water usage (and wastewater, if the properties are connected to the County’s wastewater system) measured through Master Water Meter. It shall be the sole responsibility of the Master Meter Lot Owner to notify the Subdivision Lot Owners of the terms of this Agreement, and to collect payment from the Subdivision Lot Owners. The County shall not be a party to any agreements between the Master Meter Lot Owner and the Subdivision Lot Owners regarding such topics including, but not limited to, notice, billing, and payment of water or wastewater usage charges.

6. Billing for Usage. The County will read the Master Water Meter in accordance with its policies and procedures and issue a single bill for water usage to the Master Meter Lot Owner in accordance with the County Code (as amended), and the billing shall include charges for wastewater usage if the properties are connected to the County’s wastewater system. The County shall not bill any of the Subdivision Lot Owners for water usage (or for wastewater usage, as applicable). Payment to the County shall be the sole responsibility of the Master Meter Lot Owner. The County shall not be involved with regard to any disputes between the Master

Meter Lot Owner and the Subdivision Lot Owners related to the Master Water Meter or arising with regard to notice, billing, or payment for water or wastewater usage.

7. Installation of Sub-meters. The installation of Sub-meters is at the choice, discretion, and sole cost and expense of the Master Meter Lot Owner. If Sub-meters are installed, the Master Meter Lot Owner covenants to maintain the Sub-meter(s) which measures water usage from its property in good working condition at all times at the Master Meter Lot Owner's sole cost and expense.

8. Nonpayment. In the event of nonpayment of any water usage bills (and wastewater, where applicable) by the due dates therein, late fees and penalties shall be assessed to the Master Meter Lot Owner in accordance the County Code (as amended); water service to the Master Water Meter may be turned off in accordance with § 13-5-810 of the County Code (as amended); and collection shall occur in accordance with §1-9-101 of the County Code (as amended); and nonpayment may cause the Master Meter Lot to be sold at tax sale.

9. Successors and Assigns; Recordation. This Agreement shall run with the Master Meter Lot herein described and shall be binding upon the Master Meter Lot Owner and its successors and assigns. This Agreement shall be recorded in the Land Records for the County.

10. Maintenance and Costs.

(a) Following completion of construction of the Water Line and installation of the Master Water Meter, the Master Meter Lot Owner shall be solely responsible for the water (and wastewater, where applicable) usage charges generated by the Master Water Meter, regardless of the location of the usage of that water service;

(b) The County has no responsibility for maintenance or repair or replacement of any infrastructure located after the point of the Master Water Meter, including Water Lines connecting the Master Water Meter to structures located on the property or any other Master Meter Lot or the Subdivision Lots, including any Sub-meters; and

(c) The Master Meter Lot Owner agrees to undertake all operating and maintenance responsibility and liability for any Sub-meters it chooses to install within the Subdivision at a point located after the Master Water Meter.

11. Indemnification. The Master Meter Lot Owner and its successors and assigns shall indemnify and hold harmless Anne Arundel County from any losses or damages, including court costs and reasonable attorney's fees, arising in any way in connection with the Master Water Meter.

12. Miscellaneous.

(a) Notice. Any notices made pertaining to this Agreement shall be made, by First Class United States mail, to the parties at the addresses listed below. Each party shall notify the other in the event of any change in the notice address.
