

Child Care Fee Schedule 2017- 2018

The fees for our school year programs below are established on a yearly basis and are determined by program costs. The annual expense is then divided into nine equal payments. There is no reduction in fees for months with a relatively few number of school days, just as there is no increase in fees for months with a greater number of days. There is no additional fee for the scheduled early dismissal days. All school year programs (regardless of location) follow the Anne Arundel County Board of Education school calendar & emergency closings schedule.

This results in an annual expense (if your child attends AM & PM SACC for the entire school year) of \$3,375.00
