Greg Africa Director

### **Raghavenderrao Badami Named Acting Assistant Director in the Department of Inspections and Permits**

Greg Africa, Director of the Department of Inspections and Permits has appointed Raghavenderrao (Raghu) Badami, PE, CC-P, as Acting Assistant Director overseeing Engineering, Site Development, Forestry and Code Compliance Divisions effective June 1, 2021.

Badami has over 17 years' experience in land development and related areas with a primary focus in stormwater management and water resources including site design and planning, utilities and storm drainage, stormwater best management practices (BMPs), watershed assessment and planning, restoration at site and watershed scale, MS4 reporting, planning, reviewing, permitting, design, installation, construction, as-building and maintenance of BMPs.

In October 2014, Badami began his career with the County as an Engineer Manager in the Department of Public Works, Watershed Protection and Restoration Program (WPRP). Badami joined the Department of Inspections and Permits in September 2018, as an Engineering Manager. He served as Acting Assistant Director for 8 months in 2019.

Badami has a Bachelor's in Civil Engineering and Master's degree in Environmental Engineering. He is a registered Professional Engineer (PE) in North Carolina and Maryland and a Certified Climate Change Professional (CC-P).
