### Anne Arundel County Department of Inspections and Permits Announces Updated Unit Pricing

The Anne Arundel County Department of Inspections and Permits announces updated unit pricing for calculating project cost estimates, determining security amounts and inspection fees for grading permits and public works agreements.

Unit prices were last updated in 2012. The Consumer Price Index (CPI) has increased 30% from 2012 to 2022. The updated unit pricing is better aligned with current market prices.

The department has posted the attached [memo](#) and [updated unit price list](#).
