Public Meetings for New Development Projects During COVID-19

The Office of Planning and Zoning is enacting temporary operational changes during the coronavirus public health emergency. Executive Order 19, signed by Anne Arundel County Executive Steuart Pittman on April 14, 2020, clarifies the public meeting process for development projects.

Executive Order 19 directs development applicants to submit new application packages for review without a community meeting; all required meetings are to be held after the public health emergency concludes. Comments will not be released until the Office reviews community meeting notes. Please send application materials by mail or use the [drop box](#) located at 2664 Riva Road.

The full text of Executive Order 19 is available online: <https://www.aacounty.org/departments/county-executive/executive-orders/steuart-pittman/SP-19.pdf>.
