Medical Release Form

Part of your application process for employment will be a preparation for, and successful completion of, a Candidate Physical Ability Test (CPAT). The purpose of the CPAT Mentoring Program is to prepare candidates for the CPAT test. Below is a list of the eight sequential parts of the test. A more detailed description of the test will be provided to you. This is a Pass/Fail test.

- | | |
|-------------------------------|----------------------------|
| 1. Stair Climb | 5. Forcible Entry |
| 2. Hose Drag | 6. Search |
| 3. Equipment Carry | 7. Rescue |
| 4. Ladder Raise and Extension | 8. Ceiling Breach and Pull |

Your signature at the bottom indicates you have read, understand, and agree to the following statements.

The CPAT Mentoring Program and Test is offered by Anne Arundel County on a free and equal basis to all candidates.

My participation in the Mentoring Program is voluntary; however successful completion of the test is mandatory to progress in the hiring process.

Participation in the CPAT Mentoring Program is not construed as a guarantee of successful test completion or offer of employment.

I am over the age of 18 and am physically capable of participating on the CPAT Mentoring Program and Test.
