Good News # 163: Thank You - Lt. Michael Mayo of Armiger Fire Station 30

Hello everyone, and welcome to the August edition of The Good News Book!

As the summer months grow increasingly distant in the rearview, we start to look forward to fall months in Maryland. Schools reopen, temperatures begin to cool off and our days get shorter, but we continue on. This month we have three new entries into our Good News Book, two of which are from the month of July, and one all-around attaboy.

As always, thank you to all involved in all of these calls and situations. Please continue to keep each other safe and watch each other's back as we do our jobs day in and day out. Thank you to all of our members for their continued and consistent hard work, dedication and professionalism.

Thank you to everyone at the Galesville Fire Department and to the EMTs who came to my aid on the 4th of July at about 6:30 AM.

I am truly grateful for your help. I'd especially like to thank Jeff, who kept me calm and safe during the ride and in the hallway at

the hospital. It turns out that I have a serious, rare illness that would not have been caught if I had not been taken to the ED. (It's not contagious.)

Again, please accept my gratitude for your help, especially on a busy holiday.

Thank You! - Co. 30 Armiger, Lt. Michael Mayo

Fire Chief Trisha L. Wolford

I would like to give a shout out to an outstanding firefighter. He is Lt. Michael Mayo of Armiger Fire Station in Pasadena. He is a true "Gentleman" in all respects. Upon my visit to the Station this Firefighter came out to my car and escorted me into the Station. He then invited me to sit down, and asked if I wanted anything to drink. We had a pleasant conversation wherein he answered every question I had on the workings within the Station. Upon completion of our conversation this Gentleman walked me back to my car.

Lt. Mayo is an extraordinary representative for Armiger Fire Station. His manners are above the norm, his smile is contagious, and his personality is one-in-a-million.

My encounter with Lt. Mayo was a memorable experience.
