RE: Alicia Chojnack; Allison Krasauskis

Dear Chief Wolford:

On Friday night, January 14, I experienced a medical emergency while at home in Davidsonville. I stopped breathing. A call was placed to 911, and a first responder team from The Riva Fire Department arrived within minutes.

I was quickly assessed, treated and stabilized. By the time we arrived at the hospital, I was beginning to breathe normally. The response team remained with me until I could be treated by a physician.

The purpose of this letter is to apprise you of the remarkable team of first responders who came to my rescue. The team leader, Alicia Chojnack, and her assistant, Allison Krasauskis, worked seamlessly in unison with a minimum of dialogue, all the while making me comfortable and confident things would get better. I don't remember all who arrived, but I shall always be grateful for their professionalism and kindness.

You can be proud of this group of dedicated employees, and I hope you have the opportunity to convey to each of them a well-deserved "atta boy."

Sincerely yours,

Robert C. Wilcox
