JUNE 2022 EDITION

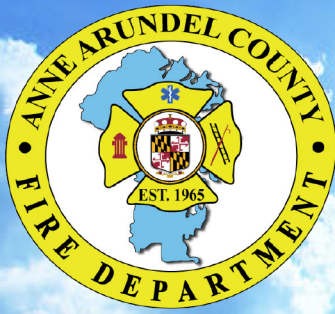

Good News # 156: Thank You - Co. 26 South Glen Burnie, Engine & Truck 26, D-Shift

Good News # 157: Thank You - Co. 13 Riviera Beach, Engine 13, D-Shift

Hello everyone, and welcome to the June edition of The Good News Book!

Summer has descended upon us in grand fashion. While we brace and prepare ourselves for the busy summer months, we stopped and recognized all of our fathers within and outside of the department, supported our friends in the LGBTQ community, and celebrated our newest national holiday, Juneteenth. This month we have two new entries into our Good News Book. We, as always, thank everyone involved in all of these calls and situations. Thank you to all of our members for their continued and consistent hard work, dedication and professionalism.

Good Morning All,

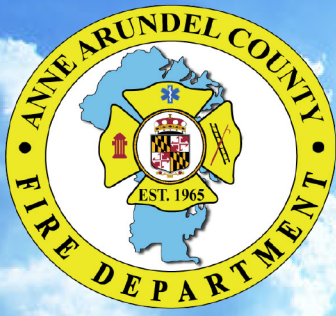

I wanted to take a moment to thank our local Fire Department #26 for their assistance last night at our Mentorship Program in making this program as beneficial as possible for each child. We try to introduce different careers to the kids for a chance for a better future. This really makes a difference and has a positive impact in a kid's life. We appreciate all the support and assistance in making this event a success. Below are some pictures of yesterday's event.

Good Evening Lt. S. Neal,

My name is Cpl. Raiford #1550 with the Anne Arundel County Police Department and I work in Community Outreach for the department. It was a pleasure meeting you today at Fire Station #26. I wanted to reach out to you in reference to Cpl. Laird, Cpl. Doyle and myself role of involvement with the department in community engagement. I wanted to let you know that it would be my pleasure to provide my contact information to work with you and your staff for events in the future.

We currently run a Mentorship Program in providing Middle School kids a chance for a better future. The Mentorship Program is for individuals to help children from a troubled life, or gain training experience from the age(s) of 11-13. The program is held on Tuesdays at the Moose Lodge, [1911 Crain Hwy Glen Burnie MD](#). from 5:00-630pm. We would love it if you guys could bring some Fire Apparatus Fire Truck/Ambulance to our program tonight on 6-14-2022, and give a brief discussion of your job descriptions to the kids. We understand that you may be tasked with prescheduled events, and calls for service which makes it difficult to remain for long periods of time. We thank you again for your support and willingness to help. I have included the other members of the PACT Unit in this email.

Good afternoon,

Thank you to Firefighter Bob, Firefighter Owen, and the Lieutenant! The kids learned a lot and really enjoyed meeting with them. They came back to the classroom after the visit full of connections and questions. I can tell it meant a lot to them. Firefighter Bob mentioned that the fire department has coloring books if we said how many kids there were. There are 45 kids in Kindergarten.

Thank you again for making the trip possible! It was the highlight of the week (probably the highlight of the year for some of the students).
