Good News #71
October 3, 2020 - Co.17 Arnold

Thank You EMTs Fire Company 17!

“Heartfelt thanks for your timely response to my 911 call in the early morning of October 3 re my husband’s heart attack. To a person, you were kind, efficient and considerate of me, our pets and our Sturbridge neighbors. I particularly want to thank the responder who stayed at the hospital to express his condolences and made sure we were “OK”.

Please know you made a big difference in an otherwise awful situation.”

“The Fire Department’s Volunteer Coordinator stopped by station 17 to drop off a note from his neighbor. She was very pleased with the kindness and efforts put forth by our crews. I happened to know that this was a very difficult call as the patient went from alert to cardiac arrest in front of the crews.”

Deputy Chief Timothy Mikules
Anne Arundel County FD
8501 Veterans Highway
Millersville, MD 21108

Dear Chief Mikules:

Thank you for providing us with Division Chief Greg Novak as an evaluator for the Spokane Civil Service Commission's recent assessment center process for Fire Battalion Chief.

As you know, COVID-19 has required government agencies to rapidly change our standard practices in many ways. The assistance of Chief Novak on behalf of your agency was essential to the success of our first prerecorded and remotely evaluated assessment process.

Battalion Chiefs require a broad combination of skills and abilities in order to succeed on the job. A promotion to that level with the Spokane Fire Department brings with it significant changes in work responsibilities and expectations. With the expertise and professionalism of Chief Novak, we are confident that we have qualified candidates who can succeed as future Fire Battalion Chiefs with the City of Spokane.

Once again, thank you for being a part of making our assessment center a success.

Sincerely,

Bryan Sullivan
