Utility Engineering/Planning Section
445 Maxwell Frye Road, Bldg A, MS-4264
Millersville, Maryland 21108

Request Date: _____

APPLICANT INFORMATION

Name & Agency: _____

Agency Address: _____

Phone: _____

E-mail: _____

PROJECT INFORMATION

Name: _____
(Project/Building)

Site Address: _____

Cross-Street(s): _____

Hydrant No. (s) (if known): _____

In addition to the above information, please submit a map with the application, including the project location, closest cross-street(s) and fire hydrant(s), with hydrant numbers (if available). This map may be hand-drawn if a printed map is not available.

This application and map may be either 1) Emailed to fireflowtest@aacounty.org or 2) Submitted by standard mail. The requested test will be entered into the work order system upon *application receipt*. Test results will be provided via email.

Test results will be available within 3-4 weeks from the date of application receipt. However, during the winter months, testing may be delayed due to inclement weather. If you have any questions, please submit them to fireflowtest@aacounty.org.
