Resolutions vs. Goals: A resolutions is a firm decision to do or not do something; where a goal is an aim or desired result.

The Election Worker Department for the Anne Arundel County Board of Elections has set goals for the 2022 Gubernatorial Election Cycle. Our number one goal is to provide all eligible voters in Anne Arundel County convenient and accessible locations in which they may exercise their right to vote; and to promote fair and equitable elections.

To facilitate this goal we are reviewing the Election Judge Training program and working on the format and how to achieve the objective of delivering a comprehensive and relevant training to all of our election judges, new and returning. We wanted to ask our election judges to help and answer questions on what they think is most relevant to their training. If you would click on the link below to let us know how to help us reach our goal of making a successful training curriculum.
