Election Judge Positions and Job Descriptions

All of the election judge positions have been reviewed and we have made some changes that will be effective in the 2024 Presidential Election Cycle.

We have created a new position, the Pollbook and Same Day Registration Judge, they will be responsible for;

- Assisting in the opening of the polls;
- Checking in and registering voters using Electronic Pollbooks;
- Verifying voter information;
- Informing voters that they have the option of using a Ballot Marking Device;
- Checking voter identification for certain first-time voters;
- Issuing Voter Authority Cards;
- Issuing a Ballot or Ballot Activation Card and in the case of a combined polling location, insure the voter receives the correct ballot style;
- Assisting in the closing of the polls;
- Referring all problems to the Chief Judge; and
- Any other duties as assigned by the Chief Judges.

The Pollbook and Same Day Registration Judges will attend two training classes. One class session will review setting up the new electronic pollbooks, checking in voters and issuing the correct ballot style. The second class session will review the new pollbook setup and will then focus on same day registration and issuing the correct ballot style. Each session will be approximately three hours of hands on training to provide our Pollbook and Same Day Registration Judges with the knowledge and tools to have a successful election day.
