# Proposed Site Plan

# Proposed Facility Layout

- Splash Pad Deck will abut the Existing Patio, accessed from the indoor recreation pool.
- New gates will be provided to meet emergency egress requirements. Gates will NOT be used as entrances.
- ① The Pump House is located to the north. The pump house exterior design is intended to reflect that of the existing facility.
- ② The fencing will be black, prefinished aluminum 3-rail, picket fence, 8' tall
- ③ The cantilevered shade structure will be 8' tall x 8' deep x 40' long
- ④ (12) 6' long, fixed benches & (3) fixed trash receptacles will be provided around Splash Pad Deck perimeter

New stairs provide a secondary route to the existing parking lot. These stairs will require handrails or guardrails.
