

List of AACO Accepted Certified Plumbing Companies Providing Backflow Related Services

The average cost is between \$100-\$150 (this is an average some companies may charge more).

Disclaimer: This consolidated list of plumbing companies was compiled by AACO Backflow Program as a convenience for our customers. AACO Backflow Program has verified that the plumbing companies on this list are licensed and certified in accordance with Maryland regulations to perform cross connection/backflow prevention related plumbing services. Inclusion on this list is entirely voluntary and consists of plumbing companies that utilize our online system for entering testing results. This list does not represent all companies registered with the AACO Backflow Program. **The companies listed do not work for nor are they associated in any way with AACO Backflow Program and AACO Backflow Program assumes no liability for any work performed by a listed company.**

AACO Backflow Program does not endorse or recommend any company on this list, nor do we set the pricing for these companies. We suggest customers obtain multiple estimates before hiring a plumbing company to test your backflow preventer or provide any other plumbing services.
