We begin by laying out the training schedule, the training program, the polling place plan and the election judge allocation, to determine the total election judges needed. After the polling places are approved by the board, we start working on assigning election judges to work on May 14th, 2024.</p> <p>The Board of Elections greatly appreciates the election judges that return and continue their service. We would like to reach out and request your help in recruiting potential election judges. If you know anyone who is interested in serving but is unsure of the requirements and commitment, they can use the QR code below and they will be contacted by the Election Workers recruiting staff.</p>

Changes in the Payroll Requirements for 2024

The process for the 2024 Election Judge Payroll is changing and with the changes come new requirements.

The payroll for the 2024 Election Judge Cycle will be direct deposited into your bank account 6 to 8 weeks after the election and will be processed by the Anne Arundel County Personnel Office.

To make the changes to the process we do have new procedures and forms that need to be completed for all election judges.

The new required forms include: Direct Deposit Authorization and a completed I-9 form, with the correct documentation. The MD507 and W-4 Withholding Forms, as in the past, are also required.

Be on the lookout for more information on the forms and the payroll process.
