# Anne Arundel County - Special Events Resource Matrix

***All special events are subject to:***
*(1) the guiding principles of incident management as outlined in the FEMA National Incident Management System (NIMS) doctrine.*
*(2) variations in recommended and/or required resources based on the risk assesment of each event, which includes the type of event, purpose, location, duration, anticipated crowd size, weather conditions, and other safety and/or security factors deemed appropriate by public safety officials.*

*Any special events greater than 2,500 in a single setting may be subject to unified public safety command and control as the event dictates, which may include costs for any additional on-site personnel.*
