

**Quiet Waters Park
Special Events Application**

**GUIDELINES, RULES AND REGULATIONS FOR SPECIAL EVENTS
For Non-Profit Organizations**

I. PURPOSE

Anne Arundel County Parks are increasingly being used by organizations as a venue for special events and fundraisers for a variety of causes. In recent years, the demand for special events has exceeded the capacity of the park system. Although the Department of Recreation and Parks (Department) is not obligated to permit special events, most are perceived as a public benefit and the Department tries to accommodate the requests. The Department however must operate its parks for the general public's use and the intended purpose and infrastructure in the parks. Special events have the potential to disrupt the normal operations of the park and could restrict the general public from using the parks as intended. In addition, there are costs associated with special events which include staff time, wear and tear on the infrastructure, use of materials and supplies, and limiting the use of the park to other park visitors. These costs must be borne solely by the permitted organization.

The following information/application outlines the Department's policies and procedures as pertains to having a special event at Quiet Waters Park (QWP):

II. SCOPE

These guidelines cover any special event, which is held in Quiet Waters Park, planned by any non-profit group other than Anne Arundel County, its departments, or its support groups.

III. DEFINITIONS

Special Event: is any event, meeting, party, etc., that is outside the scope of normal park operations and is open for public participation, even if public access is solely through a non-Recreation & Parks organization.

Sponsor: is the group conducting the special event. (*The Sponsor must be a nonprofit organization registered with the State of Maryland.*)

Director: is the Director of the Department of Recreation and Parks, or designee.

Superintendent: is the Superintendent of Quiet Waters Park, or designee.

Park: is Anne Arundel County's Quiet Waters Park.

Participants: are all people taking part in the special event, including participants, organizers, and support people.

Non-Profit Group: is any group having 501 (c) 3 status per the Internal Revenue Service.

IV. POLICY STATEMENT

a) Quiet Waters Park is part of the Anne Arundel County Department of Recreation and Parks. All applicable laws, regulations, and policies apply unless otherwise determined by the Director.

b) The Park and Department reserve the right to deny a special event request or application.

c) Quiet Waters Park will allow a maximum of two special events per month and one per day.

d) Special Event groups larger than 500 participants are beyond normal park operations and require:

1. A special event meeting with Park Superintendent and Division Chief
2. Organizations must provide for **all staff and resources** needed to run the event safely. The Park and the Department of Recreation and Parks will determine what staff and resources need to be supplied including, but not limited to, the following:
 - a. Port-a-Pots
 - b. Additional trash dumpsters
 - c. Security (for crowd control, building/pavilion rule enforcement)
 - d. Parking
 - e. Traffic Control in park
 - f. Traffic Control on public roads

3. At least one hour before the event starts, the Special Event Coordinator, Park Liaison, Traffic Control, and Security will meet to verify plans for the event.
- e) **No special event may be conducted which involves commercial promotions, or personal or corporate gains.**
- f) Under general park regulations, no individual or group may hold a meeting, activity, or other organized gathering in the park if it will deprive the public of reasonable use and enjoyment of the park or interfere with public access and free passage in the park.
- g) Park fees apply, including fees for entrance and facility rental. See Fee Schedule listed under **PROCEDURE**.
- h) **Alcoholic beverages are prohibited.**

V. **PROCEDURE**

- a) Requests for use of park areas for special events within the scope of these guidelines must be made in writing at least sixty (60) days in advance to:

Park Superintendent
 Quiet Waters Park
 600 Quiet Waters Park Road
 Annapolis, Maryland 21403
 Email: rpridg33@aaacounty.org

Anything outside of what is written on the application will not be accepted. Additional requests must be submitted in writing to the Special Events Coordinator for permission 30 days prior to the special event date. Please note that writing the letter does not grant permission. Permission will be denied or awarded based on the request and time constraints.

- b) Applications will be accepted no more than **one year** in advance of the date of the special event and **no later than sixty (60) days** before the date of the special event. All special events will be considered on a case-by-case basis with preference given to groups that have successfully complied with all park rules and regulations during prior events. This is due to limited staff availability, to protect the park's natural habitats, and to not impede the reasonable enjoyment of the park by our regular park patrons. There is a minimum of two weeks processing time for each application submitted.
- c) ***Organizations may not advertise that the event will be held at Quiet Waters Park until final County approval.***
- d) The Sponsor is responsible for publicity, operational details, participant support and safety, and set up and removal of equipment. Sponsor is responsible for all cleanup of area(s) used within the park. Logistical and administrative concerns must be coordinated with Park Staff. All equipment to be set up in the park must be **pre-approved** by the Superintendent. All equipment must be set up and removed the day of the special event.
 - i) Signs must be on stakes or posts, or tied to trees. Prohibited items include: nails, tacks, staples, etc.
 - ii) Signs must be posted in a manner that does not block or obscure park signage, trails, or roads in any way.
 - iii) **NO Marking Paint of any kind will be used to mark the trail**, painters tape is acceptable for trail marking.
- e) Sponsor is responsible for having adequate staff for crowd control, parking, and public safety. Also, the Contact/Alternate Contact person must be present for the duration of the special event.
- f) Sponsor must provide for all staff and resources needed to run safely.
- g) The Superintendent will note in writing any special details to be considered and resolved **before** the special event. These may include but are not limited to use of rental facilities, parking, restroom access, road/trail crossings, trail markers, participant conduct, location of special event and equipment, safety concerns, use and need for Anne Arundel County Police or emergency / time and duration of special event.
- h) **Restroom use at the Blue Heron Center is reserved only for Sponsor, staff, and volunteers.** Under no circumstances are special event participants permitted to use Blue Heron Center restrooms. Sponsor is responsible for enforcing this policy. Sponsor is responsible for providing adequate port-a-pot equipment for the use of participants.

- i) Arrangements for use of property and equipment other than that owned and operated by Anne Arundel County is solely the responsibility of the sponsor.
- j) Sponsor must reserve a park facility to provide centralization and easy access. The contract must be signed by the sponsor's representative.
- k) Sponsor is responsible for the conduct of all special event participants.
- l) Whenever possible, sponsors will use recycled products, and will recycle materials used or produced. For more information on obtaining additional recycling collection receptacles, contact park staff.
- m) **No special event will be approved prior to a meeting scheduled with the special events coordinator.** Meetings may only be scheduled Tuesday through Friday. Special events coordinator will schedule appointment upon application approval.
- n) Sponsors **must** select three dates to have their event in order of preference. Park staff will select the best available date. The special events coordinator will contact you regarding the scheduling of alternate dates. **Please do not announce your event until you have a signed agreement.**
- o) Special events with anticipated gross revenue in excess of \$25,000 require an additional agreement with the Department of Recreation and Parks.
- p) If the special event is approved, the Department of Recreation and Parks, and Anne Arundel County reserve the right to alter, shorten, or cancel the special event at any time in order to protect the interests of the park, park patrons, and/or Anne Arundel County. (from A.A. Co. Code Article 14, 1-102)
- q) Once the application has been accepted and signed by the Superintendent, you will have two weeks to pay in full your pre-event invoice for your special event. Special payment considerations will be made to those sponsors who, in writing, make a request to the Superintendent prior to the two week deadline.
- r) Any questions that you may have please call the Park Office (Monday - Friday) at 410-222-1777.

VI. FEE SCHEDULE:

Special event fees are calculated based on the number of participants and facilities utilized. Fees are divided between a pre-event invoice and a post-event invoice.

- 1) The Special Events Coordinator will provide a pre-event invoice to Sponsor prior to the event. Pre-event invoice includes applicable Facility Fees, Parking Fees, and the Special Event Fee and must be paid in full within two weeks following application approval by the Superintendent or two weeks prior to the event, whichever date is first.
- 2) The Special Events Coordinator will provide a post-event invoice to Sponsor after the event. Post-event invoices include the Participant Fee based on the actual number of event participants. Please note, Participants include "all people taking part in the special event, including participants, organizers, and support people," as defined in **Section III. DEFINITIONS** of the Special Events Application. Post-event invoice must be paid in full within two weeks following the event.
- 3) Please note, if a Special Event's attendance and/or parking needs exceeds the projected attendance on which the pre-event invoice was calculated, Sponsor will be responsible for all costs associated with additional facilities used including Facility Fees, Parking Fees, and Special Event Fees. This additional cost will be added to the post-event invoice.
