ANNE ARUNDEL COUNTY BOARD OF ELECTIONS CANVASSING UPDATE

The Anne Arundel County Board of Elections announces it will convene at 10:00 AM to scan and tabulate Vote by Mail ballots on Saturday, November 12, 2022 at the Board of Elections office, located at 6740 Baymeadow Drive, Glen Burnie. This meeting will be open to the public.

The Board of Elections decided to scan ballots on Saturday after one of the two DS850 High Speed Scanners suffered an equipment issue at the beginning of the canvass on November 10th. The Maryland State Board of Elections was able to get a replacement part to the Board of Elections and the second High Speed scanner was operational by 5:30 PM on November 10th. However, at 10:00 PM, the Board decided to recess the Vote by Mail canvass until Saturday, when it will resume scanning ballots.

The canvass will convene at 10:00 AM on Saturday to make up for the time without both High Speed scanners operational. There are approximately 2,500 ballots scheduled to be canvassed on Saturday.
