RE: Bill 66-20: An Ordinance concerning: Current Expense Budget – Pasadena Road Improvements – Supplementary Appropriations – Capital Budget and Program – Fund Transfer

Dear Mr. Pittman:

The Planning Advisory Board (PAB) is a citizen advisory board created by §532 of the Anne Arundel County Charter. Under § 533 of the Charter, the PAB is charged with recommending the list of capital projects, along with their estimated costs, to be implemented by the County. Also under § 533, the PAB considers and transmits advisory recommendations for amendments to the Capital Budget to the County Executive through the course of the year.

The PAB met on September 23, 2020 and received an overview of Bill 66-20 from Budget Office staff. This Ordinance is a proposal for an administrative rearrangement of funding sources to rectify an administrative funding allocation error associated with Pasadena Road Improvements (H525700 – Pasadena Road Improvements, H581400 – Route 2 Improvements, H575700 – MD 214 & Loch Haven Road) in the Roads & Bridges Class. The net result of these transfers does not change the approved level of funding for any of these projects, only the type of funding. This transfer does not request any additional funding for any project, or funding source. The net fiscal impact is \$0.

Following the presentation and discussion among the members of the PAB, the Board unanimously voted 6-0 to offer an advisory recommendation of approval of Bill 66-20.

If there are any questions regarding our recommendation, please contact Don Zeigler in the Office of Planning and Zoning.

Sincerely,

Jerry L. Pesterfield
Chairman
