2022-0146-V

To Whom It May Concern,

Above are drawings from the building plans. While not directly related to the set back, It helps demonstrate that the building will not have a commercial look to it or be an eyesore to the neighborhood. We are taking every step possible for it to be attractive, larger windows, sliding doors with windows, cupola, etc.

Re: Variance Request for Christopher Koch and Kyle Lentz

To Whom It May Concern:

I am a next-door neighbor of Christopher Koch and Kyle Lentz. I am aware that they would like to build a storage building on their property. They are seeking a variance to have the building closer to Tanglewood Lane (a private road) and place the building closer to the road than the 50' set back from the property line. I have no concerns and support their efforts.
