Arnold Bennett, author of *The Great Adventure*, wrote: “Any change, even a change for the better, is always accompanied by discomfort.”

Certainly, we have undergone many changes over the past 15 months and we have learned so much about human nature, technology, and more. Now, as more people are vaccinated and businesses and activities resume, we will once again experience change. It’s understandable that some folks feel hesitant while others are ready to jump back in!

Anne Arundel County office buildings will open back up to the public later in July, but I strongly encourage you to always call before you come in to see Patty, Dee, or Mary, just to make sure we will be there when you arrive.

Planning for workshops, support groups, and other activities has been a bit more complicated than usual with the on-going thoughts on keeping folks safe and healthy. I want to thank those of you who provided your “level of comfort” feedback through the survey that went out through Survey Monkey. Based on that feedback, rather than planning and sharing the entire Fiscal Year 2022 schedule of workshops, we are currently looking solely at the Fall months (September through December 2021). September through November workshops will continue to be virtual through the Zoom platform; as we get closer to December, we will re-evaluate to determine if we will also meet in person that month. We expect, at this time, to be returning to in-person workshops in 2022 but will continue to provide you updates through the monthly caregiver emails and quarterly newsletters.

Support Groups will also continue to be held virtually for the next few months. We are currently looking into the technology that will allow us to continue to include members virtually even when we are back to in-persons sessions.

As you can see below, we have multiple virtual Dementia Live sessions scheduled over the next several months. We will add in-persons sessions to the schedule in the near future.

I want to thank you all for what you do; I know that the pandemic impacted caregivers, as well as your loved ones, tremendously. I appreciate all of you who have stayed in touch via our workshops, support groups, and phone calls. And I hope to see you — virtually and in-person — throughout the next year!

*Mary*

We are pleased to share with you an opportunity to participate in the Dementia Live® experience *virtually!* Dementia Live® offers a unique inside-out understanding of dementia and aging. Family caregivers will gain a heightened awareness of the challenges faced by their loved ones who live with dementia. Caregivers will also learn new communication skills to help improve care and minimize disruptive behaviors—thus reducing caregiver stress!

Please join us at one of the upcoming sessions via the Zoom platform. Space is limited for each session. Pre-registration is required. To register, call 410-222-4375/4399.

Sneak Peek at Fall 2021 Caregiver Educational Workshops

Fall 2021 caregiver workshops are being scheduled as virtual sessions through the Zoom platform. Registration for the workshops will begin in mid-August.

LIVING YOUR BEST LIFE AS A CAREGIVER AFTER THE STRESS & DRAMA OF THE PANDEMIC AND COVID-19 POLICIES
September 9, 2021
6:30 pm
The past year and a half has been beyond traumatic. If you are struggling with feeling normal again you aren’t alone. Join us for this interactive program on addressing how to live your best life while taking care of your loved one and yourself going forward. Presented by Jennifer FitzPatrick, MSW, LCSW-C, CSP.

EMERGENCY PREPAREDNESS FOR CAREGIVERS
October 13, 2021
6:30 pm
Having an emergency preparedness kit, being informed of local hazards, and practicing emergency preparations could make you more ready as a caregiver in an emergency. Presented by James Kremple, AA County Office of Emergency Management.

STORIES LOVE MUSIC
November 17, 2021
6:30 pm
Individuals with dementia feel disconnected from the world around them and may wonder “am I being seen and heard?” This can be true for Caregivers, also. When we are isolated, we wonder if anyone wants to hear our stories. Music speaks right to our hearts and our human experiences. We all have stories to tell and music brings it to light. Presented by Ilyana Kadushin.

REDUCING STRESS, SADNESS & OTHER DIFFICULT FEELINGS DURING THE HOLIDAY SEASON AS A CAREGIVER
December 9, 2021
6:30 pm
Juggling caregiving with the rest of life is tough enough. But when the holiday season rolls around it’s downright exhausting. Join us for this interactive presentation on how to reduce your caregiving stress during the holidays. This interactive program will cover:
• Identifying signs of caregiver burnout in yourself and what to do about it
• Why seeking help with caregiving before the New Year is a good idea
• What to look out for as you spend time with older loved ones during the holiday season
Presented by Jennifer FitzPatrick, MSW, LCSW-C, CSP.

Senior Center Plus Programs

This program caters to our senior population that may require assistance with navigating our senior centers and activities. These seniors may have a physical or cognitive challenge; our caring, certified staff can assist them in our senior centers with the goal to provide socialization, stimulation through a variety of activities, and community involvement. We currently meet at the Annapolis, Arnold, and Pascal senior centers. The Pasadena Senior Center is being piloted for program expansion. There is a $20/day fee for this service that includes assistance with lunch and program activities. Eligibility for this program is as follows:

- Anne Arundel County resident.
- 55 years of age or older.
- A completed AERS (Adult Evaluation and Review Service); no fee for evaluation.
- Participant must be able to:
  - Independent use bathroom and perform personal hygiene;
  - Self feed;
  - Communicate needs;
  - Administer their own medication, if applicable.
- In addition, the participant must not demonstrate wandering behavior.

For more information and to schedule your evaluation, please call the Department of Aging Information and Assistance at 410-222-4257.

Plus Zoom

Virtual Plus is an engaging program for seniors with memory and or functioning challenges that may require assistance. The hour and a half program is comprised of brain stimulating games and activities; it also has an exercise segment to increase range of motion; and allows participants socialization through the virtual platform. Requirements include being 55 years or older, registering for the program, access to a Zoom capable device, and caregiver to assist the participant with the device. There is no fee for participation. For more information please contact Nancy Saroch, RN at 410-222-0257 or saro78@aacounty.org.

To register for the program, contact Nancy Saroch, RN at 410-222-0257 or saro78@aacounty.org, with an email address to send Zoom invite and a phone number for the participant’s contact.

Caregiver Support Facebook Group

Family caregivers, living in or caring for someone in Anne Arundel County, are invited to join our Facebook Support Group page. We hope this gives you the opportunity to connect with each other, share your concerns and your experiences and, hopefully, laugh in-between meeting times. For those of you unable to attend the day-time meetings due to work schedules or other commitments, this format provides you with the opportunity to connect, share with and support other caregivers. You can find the group on Facebook.com/ArundelSeniors.
