#### **12-4-711 Expiration, renewal, and revocation of certain licenses.**

(a) **Expiration and renewal.** A dog fancier, cat fancier, commercial kennel, pet shop or pet care business license shall be valid from the date received until the following June 30 and shall be renewed within 90 days after June 30 upon payment of the annual license fee. Failure to make timely application for the initial license or for renewal shall result in a late fee of \$25. The Agency may refuse to issue or renew any license required by this title if the applicant or licensee has failed to comply with the provisions of this title or any of the provisions listed in §§ 18-10-119 or 18-10-120 of this Code.

(b) **Revocation.** The Agency, Health Officer, or the authorized and trained representative of the Health Officer may revoke or suspend a license issued under this title on finding that the licensee has failed to comply with this article, Article 18, or any other applicable local, State, or federal law governing the protection and keeping of animals. When a license is revoked or suspended pursuant to this section, the licensee shall immediately cease all operations and activities authorized by the license.

#### **12-4-717 Burden of proof with respect to licensing**

The burden of proof of the fact that an animal or establishment has been licensed or is otherwise not required to be licensed shall be on the owner or custodian of the animal or the owner of the establishment.

#### **18-2-202 Zoning Certificate of Use**

- (a) **Application.** A person may file an application for a zoning certificate of use on the form provided by the Department of Inspections and Permits.
- (b) **Acquisition of Certificate Required.** A zoning certificate of use is required for all uses except single-family dwellings and accessory dwelling units. A person may not initiate or change a use that will exist for a period exceeding 60 days without obtaining a zoning certificate of use. For a commercial telecommunication facility, "person" includes the owner and each user of the facility and "alter" includes any change in configuration, transmit frequency range, or maximum power level from that shown on the application for the zoning certificate of use.
- (d) **When Effective.** A zoning certificate of use remains effective so long as the use remains in conformity with the application granted. A change in ownership does not itself cause the need for a new zoning certificate of use.

#### **9-2-101f(5) Civil Offense and Fines.**

For a Class E civil offense: \$50 for the first violation; \$100 for the second violation; and \$500 for the third or any subsequent violation.
