OFFICE OF THE BUDGET

BILL NO. 11-18
from telecommunication companies
DATE: February 15, 2018

FISCAL NOTE

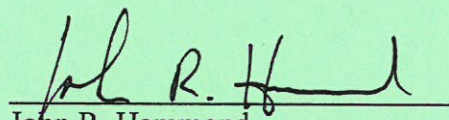

BILL: AN ORDINANCE CONCERNING: PURCHASING – ZONING – LEASES – SMALL CELL SYSTEMS

SUMMARY OF LEGISLATION

The purpose of this Ordinance is to define “small cell systems”, creating an exception permitting placement of small cell systems on existing County structures under lease agreements with terms of three years or longer and generally related to small cell systems.

FISCAL IMPACT

The County can potentially receive \$400,000 revenue by installing small cell systems on existing structure and leasing them out to telecommunication companies. This estimate is based on the assumption that we lease 100 small cell attachments to utility poles, street lights etc. at \$4,000 annual fee.
