Michael J Mattia	108 oakford Ave.	Edgewater	21037	No	PCRC Police Community Relations Council Southern District	Everything we do has to do with "Relationships" Family relationships, Work Relationships be it with your boss or fellow co-workers, Neighbors, Church members, Organizations! Everything is about the relationship we have with people and Communities. The Anne Arundel County Police in conjunction with the Sheriff's Department, Annapolis Police, Maryland State Police, Crofton Police Department and ALL Other Law Enforcement in Anne Arundel County have an OUTSTANDING RELATIONSHIP with the Communities they serve! Anne Arundel County Southern District PCRC is and State Wide Award Winning unit given by Governor Hogan for Crime Prevention by Non Law Enforcement! All the PCRC units build relationships with the four Districts in our County! We do this with the support of all the Top Brass from the Chief on down the ranks to the newest recruit! Far too many times Anne Arundel County is judged by the actions of other departments outside of our county and outside of the state. The County Council and the County Executive need to stop judging "OUR LAW ENFORCEMENT" by the actions of outside departments and it needs to stop NOW! OUR Law Enforcement does not tolerate the actions these other departments put up with and you need to stop painting them with the same brush! Anne Arundel county Law Enforcement are the Gold Standard Of Professionalism! The relationship we have here is unheard of in other jurisdictions. We have "Coffee with a Cop" and never heard of before "Coffee With The Chief" where county residents can sit down with the Chief Of Police one on one and tell the "Top Cop" what their issues are and it gets acted upon ASAP! "Burgers With Blue" a meal with a officer they can talk to from their home district. Breakfast With a Cop" "Pizza With Police" "Cookies with a Cop" with events for the kids and District Officers to get to know each other Building Relationships and "FRIENDSHIPS"! School Resources Officers that have "Lunch Buddies" for kids without a lot of friends at school. Reading Hour with the kids. The Latino Relationship Officer with events for the kids. Kids Baseball teams and Basketball teams, trips to Bowie Bay Socks games. Trunk Or Treat a safe place to Trick or Treat for our kids. This is just the tip of the "Iceberg"! What does this do...Its Building Relationships With The Communities they serve! Show me a department in any other county in this State that does more and works harder to Build That Relationship with the residents! As we see it you have two choices #1 get behind our law Enforcement and show your Support for them or #2 Start looking for another profession! We are EXTREMELY PROUD OF OUR LAWENFORCEMENT and have a reasonable expectation for OUR ELECTED OFFICIALS to support OUR LAW ENFORCEMENT DEPARTMENTS TO THE FULLEST! Michael J Mattia Southern District PCRC President, PCRC Executive Board Vice President, AACO Police Chief's Citizens Advisory Board, Chief's Business Advisory Board. 50 year resident of Anne Arundel County

John Jasen	1127 Holmespun Drive	Pasadena	21122	Yes		As always, the Anne Arundel County Department of Health is much more qualified to speak to Coronavirus than I am, but I remain hopeful a citizen taking their time impresses on the council how much this impacts us. Ron Wayne President PCRC Board	116 Oak Spring Drive	Glen Burnie	21060	No	Police Community Relations Council	Im in favor of resolution supporting our law enforcement officers in Anne Arundel.
Tracie D'Angelo	807 Selby Blvd	Edgewater	21037	No	Police Community Relations Council, Southern District, Vice President	I am in favor of the resolution supporting our law enforcement officers in Anne Arundel County. To be honest, this should not even be questioned in Anne Arundel County. Our police department is a gold standard and an excellent example to the rest of the nation. They are an accredited police department sharing that title with only about 70% of other departments nationwide. The Sheriff's department has streamlined their backlog of warrants and they have been significantly lowered. Sheriff Fredericks created a plan for the department's future for the next 4 years to continue to improve and grow. Our county's Crisis Response Team won an international award for excellence. All of our state and local law enforcement agencies (AACoPD, Sheriffs, Annapolis, MSP, etc.) engage our communities with events, demonstrations, presentations, active assailant training and social media and seamlessly work together during emergencies for the residents of this county and state. We have a great law enforcement community here in Anne Arundel County and our county government should be supporting them openly and in public everyday.
